INVITATION FOR BIDS

Town of Mendon, VT

Wheelerville Road Bridge 21
Culvert Outfall Repair Project

Sealed bids from qualified contractors shall be accepted until **2:00 PM** prevailing time on ___ **March 21, 2018** at the Mendon Town Offices, 2282 U.S. Route 4, Mendon, VT 05701, for construction of the project hereinafter described. Bid opening will occur immediately after the bid submittal deadline. The time of receiving and opening bids may be postponed due to emergencies or unforeseen conditions.

Sealed BIDS shall be marked in the lower left hand corner: **Bid Documents: Wheelerville Road Bridge 21 Culvert Outfall Repair Project, Mendon, Vermont.**

All bids must be accompanied by: a negotiable bid guarantee which shall not be less than five percent (5%) of the amount of the bid, a completed Debarment and Non-Collusion Affidavit, and a signed Contractors Equal Employment Certification Form.

LOCATION: The project is located along Wheelerville Road approximately 100 feet south of its intersection with US Route 4.

TYPE OF CONSTRUCTION: Work to be performed under this project includes: loading of riprap and stonefill, transport to the project site, site preparation, including removal of loose, woody and deleterious material, installation and removal of construction access, installation of concrete, machine placement and compaction of riprap, stonefill, filter base and other granular material, temporary stream diversion, guardrail and traffic control and incidental items.

CONTRACT COMPLETION DATE: The project is intended to begin in June 2018 and shall be completed on or before **September 15, 2018**.

ISSUING OFFICE:
The Issuing Office for the Bidding Documents is: DuBois & King, Inc., 6 Green Tree Drive, South Burlington, VT 05403, Contact: David Conger at 802-728-7225, dconger@dubois-king.com. Bidding Documents may be obtained via one of the following methods:

1. Via Download Electronic Copy: Download Bid Documents as a pdf at https://www.dubois-king.com/projects-bidding-active/ for a non-refundable charge of $50.00. Note: When purchasing download bid documents, the purchaser will receive an e-mail notification with a link to the downloadable plans and specifications. Depending on individual computer settings, the e-mail may go to the spam folder. Please check the spam folder and allow e-mails from dubois-king.com

2. If Hard Copies are wanted: Please contact the Issuing Office Contact identified above to discuss the details of this method and to confirm cost.

The date that the Bidding Documents are transmitted by the Issuing Office will be considered the prospective Bidder's date of receipt of the Bidding Documents. Partial sets of Bidding Documents will not be available from the Issuing Office. Only Bid Documents obtained from DuBois & King, Inc. (Website or Issuing Office) shall be used for submitting a Bid. Neither Owner nor Engineer will be responsible for full or partial sets of Bidding Documents, including Addenda if any, obtained from sources other than the Issuing Office.

IMPORTANT

Any change to the Bidding Documents during the bid period will be made via addenda and posted at www.dubois-king.com/projects-bidding-active. The prospective Bidder is responsible for checking the web site as required to obtain any/all addenda that may be issued. The Issuing Office is NOT responsible for notifying prospective Bidders when addenda are posted. This responsibility lies with the prospective Bidder.

PLANS, SPECIFICATIONS AND PROPOSAL MAY BE SEEN AT THE OFFICE OF:
1. Mendon Town Offices, 2282 U.S. Route 4, Mendon, VT 05701.
2. DuBois & King, Inc., 6 Green Tree Drive, South Burlington, VT 05403.

STANDARD SPECIFICATIONS: This contract is governed by the VAOT 2011 STANDARD SPECIFICATIONS FOR CONSTRUCTION, as modified.

QUESTIONS: During the advertisement phase of this project all questions shall be addressed solely to David Conger, P.E., DuBois & King, Inc., 6 Green Tree Drive, South Burlington, VT 05403; email dconger@dubois-king.com . Telephone number: 802-728-7225.

PREBID CONFERENCE: A non-mandatory pre-bid conference will be held for the project on March 8, 2018 at 11:00 a.m. at the project site on Wheelerville Road, Mendon, Vermont.
