Addendum No.02
December 11, 2019

Attention all bidders: All bidders are required to acknowledge receipt of this addendum on the general bid forms contained in the contract documents. All information included in this addendum is hereby included as part of the Contract Documents and is to be included in the bidder’s scope of work and contract price at the time of bid. Failure to acknowledge this addendum may result in rejection of your bid.

General Information
This is the final Addendum.

Changes & Clarifications to the Drawings Sheets

Civil Sanitary
CS-100 Water lines noted as ‘by others’ are owned within the C-series drawings.
CS-200 Pump chamber volume corrected to match CS-202.

Electrical
E-001 Upsized circuit breakers for chamber pumps from 15A to 30A, per civil coordination.
E-011 Updated reference and feeders to chamber pumps, per civil coordination.
