Utility and Railroad Clearance for: Park Lighting TAP TA 20(6) & Park-and-Ride Improvement TAP TA 20(8)

To Project File,

To comply with the requirements of 23 C.F.R. 635.309b, all applicable utility and railroad coordination has been completed for the subject project.

All necessary arrangements have been made for the utility work to be undertaken and completed as required for proper coordination with physical construction schedules, with necessary agreements consummated with the appropriate parties concerned.

Utility adjustments are not required by proposed construction plans for the subject project.

No railroad is impacted by this project.

Sincerely,

A handwritten signature in blue ink that reads "Brian M. Buslend". The signature is written in a cursive style and is contained within a light blue rectangular box.
